Date of birth: 21/06/1996 Nationality: Indian

ABOUT ME

Geodesy and Geoinformatics professional (M.Sc.) specializing in Hydrography (CAT A- FIG/IHO/ICA) and high-resolution seafloor mapping. Expert in bathymetric data processing, Survey monitoring and spatial data analysis. Seeking opportunities in hydrographic surveying, offshore development, or marine conservation

PROFESSIONAL EXPERIENCE

[15/09/2025-31/01/2026]

INTERN-HYDROCHARTING CONSULTANCY | DENMARK

- Conducted offshore multibeam surveys using R2Sonic systems, integrating Sepentrio GNSS and SBG inertial sensors, including USBL (Sonardyne) calibration and SVP acquisition and correction with Valeport Swift for high-accuracy positioning.
- Monitored ROV surveys along submarine cable trenches for depth of burial determination and quality control, including excavator backfilling operations, rock dumping grid comparison, and USBL positioning support for mattress deployment.
- Performed comprehensive hydrographic data processing and visualization using Qinsy, Qimera, Fledermaus, FMGT and produced bathymetric charts and map products in ArcGIS Pro for client reporting and operational decision-making.
- Prepared clear daily progress reports summarizing survey operations, equipment status, data quality, and completed work scopes to support project tracking and stakeholder communication.
- MBES dual head Calibration.

[01/10/2019-31/10/2021]

JUNIOR ENGINEER - EDVISOR ENGINEERING | INDIA

- Conducted AQL (Acceptable Quality Level) inspections per ISO 2859-1 standards.
- Product evaluation and quality inspection. Participation in the general assembly and discussion of issues arising in the industry.

[01/03/2017-30/06/2017]

INTERN - STEEL AND INDUSTRIAL FORGINGS LTD (GOVOF KERLA UNDERTAKING) | INDIA

- Successfully completed the industrial internship and acquire precise knowledge of materials and their qualities.
- Expertise in various automated vehicles and different types of machines

PROJECTS

[01/2025]

SENSITIVITY ANALYSIS OF MBES AND SSS FOR THE TEMPERATURE CHANGES [HAFENCITY UNIVERSITY-HAMBURG, GERMANY]

- Investigated the impact of water temperature changes on multibeam echosounder and side scan sonar data using controlled experimental setups.
- Processed dataset using QPS QINSy, Qimera, QGIS and CARIS HIPS AND SIPS
- Validated data against IHO S-44 special order accuracy requirements.

[05/2024]	SHIP WRECK IDENTIFICATION [HAFENCITY UNIVERSITY-GERMANY]
	- Conducted hydrographic survey and identified the ship wreck by bathymetric data processing - Processed dataset using QPS QINSy, Qimera, QGIS and Fledermaus. - Validation of Magnetometer data
[06/2018]	STABILIZATION OF STRETCHER IN AN EMERGENCY AMBULANCE
	[CALICUT UNIVERSITY-KERALA, INDIA]
	- Develop a stabilized stretcher system for emergency ambulances, improving patient safety during transport. Conducted stress analysis, prototyping, and created technical documentation. - Machine drawing and CAD designing - Deep understanding of Mechanical structural components - IRJET-Certification (International Research Journal of Engineering and Technology)

EDUCATION AND TRAINING

[2022-CURRENT]	MSC. GEODESY AND GEOINFORMATICS SPECIALIZATION IN HYDROGRAPHY (FIG/IHO/ICA - CAT A) HAFENCITY UNIVERSITY-HAMBURG, GERMANY
	Relevant courses: Hydrographic data processing, Advanced hydrography, Geodetic data processing, Bathymetry, Oceanographic data processing, Electronic navigational charts, Spatial data analysis, Ship alignment survey, Land surveying, Kalman filter, Terrestrial laser scanning
[2014-2018]	BACHELOR OF TECHNOLOGY IN MECHANICAL ENGINEERING CALICUT UNIVERSITY-KERALA, INDIA
	Relevant courses: Fluid mechanics, Engineering mechanics, Material science and metallurgy.

SKILLS

SOFTWARE SKILLS

Python Innomar – ISE Fledermaus FMGT QINSY QGIS Qimera CARIS HIPS & SIPS Micro soft office AutoCAD ArcGIS pro Qinertia Sonardyne ranger 2 pro USBL
EQUIPMENT SKILLS
Single – beam echo sounder Multibeam echo sounder Theodolites and Total station Magnetometer CTD Sub -bottom profiler Smithing and forging Lathe machine SBG system Side scan sonar SVP USBL system

Languages

Malayalam (Native), English (Fluent), Hindi (Moderate), German (B1, learning)

COURSES AND CERTIFICATIONS

2025	BOSIET-EBS (Basic Offshore Safety Induction and Emergency Training with Emergency Breathing System) International Maritime Offshore Safety Training Academy.
2018	NEBOSH-National Examination Board in Occupational Safety and Health.
2018	NSS-National service Scheme (Social service).
2016	Government of India, Ministry of Labor and Employment.
2016	HSE-Certification (Health, Safety and Environment).
2016	IOSH- (Institution of Occupational Safety and Health).
